Prices subject to change.

Don't have the tools to cut/drill your own wood products but want to make your own props? Let me help! I can precut and drill almost any size wood to your specifications! Below are the common sizes, however most sizes can be acquired!

Unfinished Dowels Cut to Length

Standard sizes for Traditional Scale:

3/8" Square Stock DRILLED(Standards)	\$2/pair	typically 6"-8" long
5/16" Round Dowel (Poles)	\$0.75 each	typically 12" long
3/8" Square Stock (undrilled)	\$1/pair	
Plank*	\$1.50 each	typically 12" long

*must be same length as poles used

Unfinished Standards (free standing but unpainted)

Schooling Standard (single drilled vertical piece with base)	\$8/pair
Jump Wing Form (2 vertical pieces (one drilled) with 2 horizontal pieces joining them, and the bases to have them standing)	\$12/pair

Jump Cups

Metal Jump Cups Silver color	\$5/pair
